

John P. Piper
Candidate, Indiana Governor 2020
110 N. Bluff Road, Greenwood, IN 46142
(317) 500-2241

April 29, 2019

Kyle Hupfer,

If you would kindly review the attached document, I would be grateful. I have not sent this to the A.G. yet and believe that a face to face conversation might help resolve some of the issues that are extremely important to the Republican party and the whole state of Indiana.

If the issues in this letter cannot be LEGALLY worked out within the current laws in Indiana, I will go forward with my campaign to run for Governor.

I will not hesitate to have full disclosure with the public about all that I have learned and all that I have experienced.

I have substantial funds in my campaign account, not enough to fund the whole race but more than enough to get the required signatures and be on the debate stage with all the republican candidates.
Yes, I will be running as a Republican.

As you may already know, I have had a 2-hour meeting at my hospital with Representative Woody Burton and have expressed to him that I am willing to work within the party to correct these important issues.

I truly believe that a meeting at my hospital would go along way to help the party and all Hoosiers.

Please contact me at your first convenience.

Thank you,

John P. Piper
