“Snatch and grab, man,” Adam Fox told an FBI informant in July. “Grab the fuckin’ governor. Just grab the bitch. Because at that point, we do that, dude - it’s over.”

Fox, from Michigan, is now facing a potential life sentence, along with five other men, for an elaborate plan to kidnap the state’s Democratic governor, Gretchen Whitmer, and put her on trial for “treason”, according to the FBI.

The chilling plot, revealed in an FBI affidavit released on Thursday, was a months-long effort that also saw members of a rightwing militia consider forgoing the kidnapping and instead executing Whitmer on her doorstep.

The news sent shockwaves through the country, as the US faces one the most divisive and viciously fought elections in its history in less than four weeks. The vote has already been marred by accusations of voter suppression, civil

*I am a Federal Whistleblower, and you damn well know it.*

Josh Minkler,

Did you transfer all the evidence in my case to Senator Kamala Harris's office as I instructed you to do?

Well that's what I thought.

This is John Piper. You remember me, the victim of attempted murder during my run for the U.S. Senate. The facts of which you are helping Governor Holcomb cover up. Sure, you remember me!

I am also a Federal Whistleblower telling the country about all the human trafficking here in Indiana. I am the one also reporting the college admission scandal at Purdue Vet school and about all the money laundering to Spain for the I-69 HWY project. That's right. Now you remember. I am the one that Indiana Chief Justice Loretta Rush wrote the letter to saying that she couldn't do an investigation, the legal authorities of the state must. Remember you worked with Governor Holcomb to cover this up and told her to shut up and stay out of it.

Question, Isn't that obstruction of justice and a violation of the RICO act? You did order your subordinates to commit on crimes on your behalf, didn't you? Was this done to protect a white, super rich, and republican Pence supporter. The U.S. Attorneys in Florida, Connecticut, Arizona, D.C., Kentucky, and Michigan all know how to do their jobs why don't you? So, either you are incompetent or corrupt.

I don't want anything except for you to do your job. Chuck Stuart must be arrested and charged with attempted murder! Michigan just arrested 13 men who plotted to kidnap the Michigan Governor.

WOW!!! Is that a crime? If so, how is using a weapon to try to murder a candidate for the U.S, Senate  
NOT A CRIME?

The media has all the info on my website [THE JOHN PIPER PROJECT.COM](http://THEJOHNPIPERPROJECT.COM)

This letter is going up on my website on Friday the 9<sup>th</sup>. Let's see how Trump reacts when he finds out you are protecting sex traffickers and drug traffickers and Holcomb.

Oh yeah if you want to talk to me you can call.

FOX NEWS AND GLENN BECK ARE ASKING THE SAME QUESTION, HOW CAN THE JUSTICE DEPARTMENT AND THE FBI BE SO FAST IN THE MICHIGAN CASE AND STILL AFTER YEARS NOT DO ANYTHING ABOUT THE RUSSIAN SCANDAL. SOOOOO, WHY CAN'T YOU ARREST CHUCK STUART FOR TRYING TO KILL ME.

Please see the attached page. As you are well aware, I am Indiana's leading advocate to stop sex trafficking.
